

### ***Pro's Art School April 2023 Important Update***

Due to an unforeseen event, Gene's classes this week will be covered by Ann Waeland, who has been the other instructor at Pro's Art for the last 25 years. If you are not able to come to your regular class, Gene will reimburse you for that class in May. The **Portrait Workshop** is also cancelled. He is hopeful that he will be back for Saturday's class.

An 88 year old friend of Gene's had water damage at his house in Calgary and Gene does not want him to get ripped off by contractors, so he will get him started on repairs and find someone to finish the job right for the right price.
